Bring Your Vision into
Reality with **WPC Louvers**

Talking Over *our story*

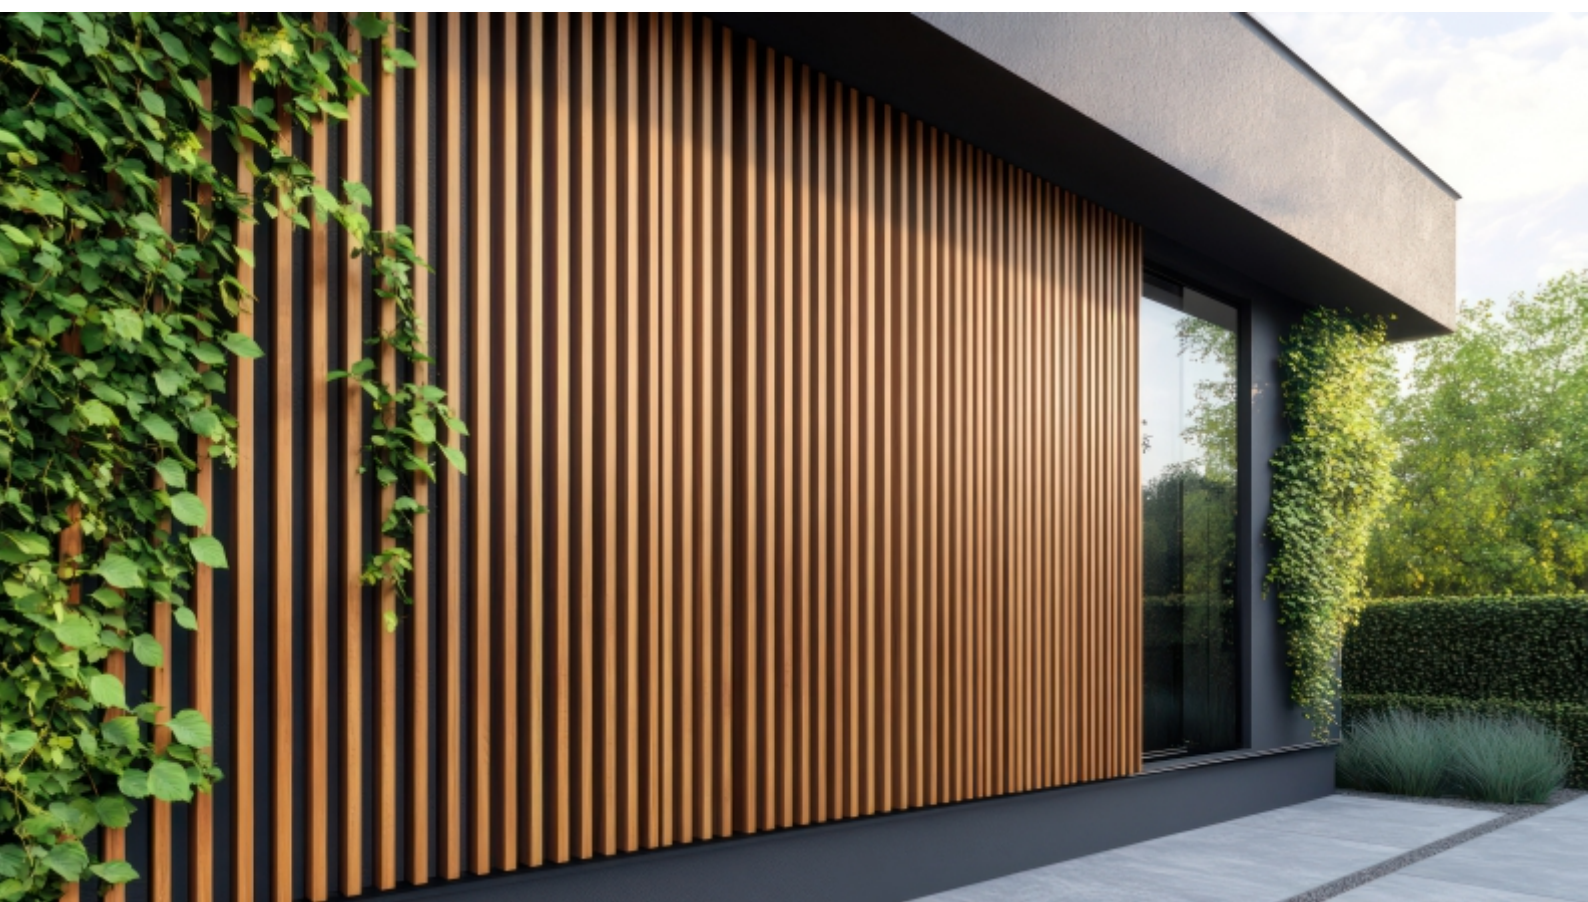

As **Aldeko**, established in 2018, we proudly build upon a profound **40-year** legacy of excellence in the construction industry, pioneered by **Vikanshu Petrochem**. This deep-rooted experience has earned us a reputation as a trusted leader, contributing significantly to India's infrastructure development across diverse regions.

At **Aldeko**, we are committed to delivering innovative solutions that meet the dynamic needs of modern construction. Specializing in the production of high-performance Aluminium and Metal Composite Panels (ACP), WPC LOUVERS, ACRYLIC, WALL PANELS, SOFFIT, our premium products are engineered to redefine modern aesthetics and unlock new possibilities in architectural design. We offer unmatched versatility, superior durability, weather resistance, and stunning visual impact for both interior and exterior applications.

Our unwavering commitment to quality, sustainability, and exceptional customer care forms the bedrock of our operations. Each panel is meticulously crafted at our advanced manufacturing facility in Kotdwar, Uttarakhand, which adheres to stringent quality controls and relevant industry certifications. We also integrate sustainable practices throughout our production process to minimize environmental impact.

With a comprehensive distribution network and a dedicated support team, we provide seamless delivery and reliable service throughout India. Our extensive range of colors and finishes, offering from classic to contemporary, provides the versatility to bring any unique architectural vision to life.

Customer satisfaction is at the core of everything we do – your success is our success. Partner with **Aldeko**, and together, let's create something truly extraordinary.

About *Exterior* Cladding

Experience the exceptional combination of beauty, durability, and sustainability with Aldeko's WPC exterior cladding. Elevate your building's exterior with our innovative solutions and enjoy a stunning façade that stands the test of time. Contact us today to explore our range of WPC cladding options and transform your architectural vision into reality.

Our WPC exterior cladding is a versatile and eco-friendly choice that enhances the visual appeal of your building while providing exceptional protection against weather elements. Crafted using a unique blend of wood fibers and high-quality polymers, it offers the timeless charm of wood without the drawbacks of traditional timber cladding.
